**MEMORANDUM FOR: DDP/PG**

**SUBJECT: Project AERODYNAMIC**

1. AERODYNAMIC employs a large number of Ukrainian emigres, members of XP/UHVR, for contact operations with Soviet citizens and for mailing to the USSR. However, most of the funds support publications of which only a relatively small number reach Soviet readers, and which are primarily the organizational "glue" of XP/UHVR. While a certain amount of such publishing is necessary, there is a tendency to spread much too far in this direction. The project must be judged on its contact operations and its mailing. Spanish-, English-, and French-language publications are of no interest to the CA effort per se, and represent a liability to be weighed against operational achievements.

2. The CA Staff is ready to concur in the renewal of this project only on these conditions:

a. that XP/UHVR as such not be supported after this fiscal year, but that the project be readjusted to use of individual exiles who make worthwhile contacts with Soviet citizens for FI or CA purposes; and

b. that only publishing and mailing activity that is directed at the internal USSR target or specifically at Soviet citizens abroad be paid for by CIA.
